There were a lot of players to successfully pull off this large meeting! Thank you, Marc, for the helpful clarification.

Yolanda,

• Yes, I can confirm that Britt Jones and Adam Cohen both were in the room. Britt Jones is with Amec Foster Wheeler and was helping to set up the snacks. When not in the kitchen, she was sitting at the front table on the left hand side of the room closest to the kitchen. Adam Cohen with Davis Grams and Stubbs is outside counsel for Atlantic Richfield. He was sitting along the west wall, to the right and slightly behind myself, in the chair closest to the AV computer.

• I am the one who marked Joe Gonzalez (Amec Foster Wheeler) on the sign-in sheet as being on the phone as he was my Webinar coordinator back in the Amec Foster Wheeler Sacramento office and was responsible for launching the Go-To-Meeting as moderator. Joe is also the one who transcribed the list of Webinar attendees for me. Our oversight for not placing him on the list below, as he wouldn't have showed on screen as the list of webinar attendees since he logged in and launched the meeting as "Amec Foster Wheeler."

Please let me know if you have any further questions.

Thanks,

Marc

Marc, the information below is very helpful.

- Can you confirm that **Britt Jones** and **Adam Cohen** were present in the room? I remember them, but they didn't sign-in to the sheet.
- Also, on the sign-in sheet, someone marked **Jose Gonzales** as on the phone, but he's not on your list below. Thoughts?

Thank you for all your work setting up the webinar. I know, from experience, this is a tedious job. I really appreciate you taking this on.

Yolanda

Yolanda,

Almost forgot – yes we did get a list of those who participated in the Webinar. My staff member who took the list is out in the field for a couple of days so I do not currently have it; however, I will forward it to you as soon as they are back in the office.

Thanks,

Marc
